

## COMMUNITIES OF PRACTICE

### Community of Practice (CoP) Topics for Peer Supervisors

#### **October 27, 2021: *Reflective Supervision***

This CoP session for Peer Supervisors will focus on the supervision framework known as Reflective Supervision. It will include an overview of the practice, discuss how it utilizes peer values to create a more mutual supervisory structure, and demonstrate how it can lend itself to supporting staff effectively.

Facilitators: Monica Caldwell and Paula Buege

#### **November 24, 2021: *Supervising Staff with Lived Experience***

This CoP session for Peer Supervisors will focus on the unique experience of supervising staff whose job is dependent upon them transparently being a person with lived experience. It will touch on supporting staff choosing various recovery pathways, staff self-determination, and strategies for effectively supporting staff wellness while maintaining professional boundaries.

Facilitator: Kris Kelly, University of Wisconsin, Madison

#### **December 15, 2021: *Supporting Staff in Professional Development***

This CoP session for Peer Supervisors I will focus on how to effectively support staff in continuing to grow in their role as peer workers. It will include strategies for supporting staff to develop professional skill sets such as documentation, as well as practical skill sets such as motivational interviewing.

Facilitator: Aaron Williams, National Council for Mental Wellbeing
