

COMMUNITIES OF PRACTICE

Community of Practice for Peer Supervisors

October Session: ***Reflective Supervision***

Monica Caldwell, LCSW

RISE Wisconsin

Monica Caldwell, LCSW leads and supports the innovative mental health programs at RISE Wisconsin in Madison. With 35 years of experience in schools, mental health and child welfare, she remains passionate about high quality services and supports for youth and families living with mental health challenges. Monica believes that collaboration and collective care can change the trajectory of our children's system of care.
