

ARE YOU A PEER RECOVERY COACH WHO IDENTIFIES AS BLACK?

Join our study!

We invite you to take our survey to help us better understand the perspectives of Black peer recovery coaches regarding recovery services for Black Americans with substance use disorders.

You may also be eligible for an interview to improve mobile health recovery support for Black adults.

**For more information about this research study,
contact our team at 314-362-4579 or
projecthealthytech@wustl.edu.**

**Or find out if you are eligible here:
